SPICMACAY-CALICUT (STAFF ADVISOR) Calicut kathakali club

Experience in India

(Reverse chronological order)

HIGHLIGHTS OF MERITS

- 25 years of experience in Urology and Renal transplant
- 15 years of teaching experience in Government set up
- Advanced training in Endourology, Laparoscopy & Robotic Surgery- NUH singapore, Seoul Korea, Strassbourg, France
- Experienced in more than 500 cases of renal transplant, PCNL, laparoscopy and penile implantation
- Hon.Secretary of urological association of kerala since Oct.2007
- Secretary of urological club of Calicut since 2000
- Nodal officer of telemedicine Calicut medical college since 2005
- Quiz master annual conferences of UAK and sz-urological soceity of India
- Member of American Urological Association, European board of urology, and soceity internationale urologiea
- OP consultation of more than 50 cases per day
- Presented more than 50 papers per annual conferences of the state & national associations and won many prizes
- Diploma in laparoscopic urology-Strassbourg (l.P university) France, Dec.2008
- 1200 cases of holep and laser surgery
- Ultraminiperc in endourology first time in Kerala
- Notes in laparoscopic urology :45 cases of donor kidney harvested
- 9 years experience as Head Of Department , Aster MIMS, Calicut
- Chief consultant miart, a division of MICC, Calicut
- www.drharigovind.com
- Pioneer in deceased donor transplantation in Calicut - 60 cases
- Supine PCNL/ecirs first time in Kerala
- Presented video session in world congress endouroloy -2015 on holep
- Presented in posted session on donor nephrectomy in AUA-2016

PRESENT APPOINTMENT

- Chief consultant urologist & Transplantation, MIART, MICC, CALICUT since Jan 2017
- Head of Department , Dept .Urology, ASTER MIMS, Calicut since 2009
- Associate professor, Dept.Urology, govt.medical College, Calicut, Kerala, India, affiliated to Calicut university 1998

Experience abroad

- Hon.fellowship in Endourology: NUH-Singapore
- Presented world endourology conference 2015
- Presented in AUA Santiago 2016
- Training in Laparoscopy strassbourg France
- Training in Robotic surgery Asan Institute ,Seoul, Korea

Profile of Past Jobs

The job in the State owned Medical College services come under the Directorate of Medical Education of Ministry of Health and Family Welfare Department of Government of Kerala. Kerala is a province in the Union of India. All the postings in the well equipped Urology Department where the staff pattern is as per the regulation of Medical Council of India. A statutory body created by the Government of India. Faculty Members train two post graduates in one academic year. We have four operation theatres per week including 2 endoscopy theatres. We routinely perform all open surgeries (approximately 8 major cases and 24 minor cases per week).This include Renal transplantation, Radical cystectomy, Radical Nephrectomy, Augmentation cystoplasty, Correction of inter sex, Penile prosthesis etc..).I perform 10 major endoscopic surgeries per week including URS,TURP,TURBT,PNL.Weekly turnover of our minor endoscopic procedures are 75 cases. I have a series of patients with Snodgrass repair (25cases) and penile prosthesis(10). My total experience in renal transplantation is participation in 500cases. I have performed 20 cases of renal transplantation as the chief surgeon. My experience in laparoscopic surgery is limited to 10 cases. My routine OP consultation include consultation of 150cases from the hospital(2 OP days) and 150 cases from my residence per week. My routine teaching activities include guiding 9 post graduates in urology in the form of clinical discussions , Journal clubs, symposiums, uro radiology and uro pathology conferences. Presently we have 20 hrs of teaching schedule. I am organizing a club for 20 Urologists in our city. Our regular monthly meeting include a guest talk, Journal discussion, 3cases and uro quiz.

Post	From	To	Hospital	Subject
HO	Jun 1988	Jun 1989	Medical college, calicut	All(med, sur, OBG, Orthopedics, Pediatrics, Ophthalmology, ENT etc...
SHO	July 1989	01 Aug 1992	Medical Teaching Hospital, calicut	General surgery)
SHO	Jun 1993	Jul 1995	Medical college, Trivandrum, Kerala, India	Urology
Senior lecturer	22 Feb 1999	Mar 2004	Medical college, Calicut, Kerala, India	Urology and transplantation

Post Held	From	To	Hospital	Speciality
Assistant Professor(sur)	Oct 1992	May 1993	PSG med.college, Coimbatore	Gen.surgery
Consultant urologist	Sep 1995	Dec 1996	KMH hospital, Kerala, India	Urology
Junior urologist	01Jan 1997	20 Nov 1997	PVS Hospital, Kerala, India	Urology
Consultant Urologist	01Jan 1998	31 Jan 1999	National hospital, Kerala India	Urology & Renal Transplantation

Profile of my Job in Aster MIMS: Heading the Transplantation programs (10 cases/month) including deceased donor transplant for 9 years. Had huge experience in Laproscopic Urology, Endourology and all open surgeries :All urological procedure like NOTES, Ultra Mini Perc, Penile prosthesisetc.. was done in the institute.

RESEARCH AND AUDITS

Research Work:

- ⦿ Peritoneal Lavage in General Peritonitis (During 1989 -1992-Residency in General surgery)
- ⦿ Epidemiological Evaluation of Carcinoma Prostate(During 1993 -1995-Residency in urology)
- ⦿ Prostatic cell inhabitation with natural herbals - ICMR Research

Work in Progress:

- ⦿ CT Staging Vs Surgical Staging in TCC Bladder from 1999 onwards
- ⦿ Hemodynamic changes in HOLEP

Papers Published:

- ⦿ Current management of Urethral Injuries-Harigovind .P,Madhavan 1996-Kerala surgical journal 1994 Sep
- ⦿ Current Management of BPH-Harigovindp,Madhavan 1997-kerala surgical journal 1995Jan
- ⦿ Sertoli Cell Tumour - Testis -Harigovindp,Roy chally 1999-Indian journal of urology:1999
- ⦿ MR Angiogram in Donor evaluation -IJU -2016

COURSES/ CONFERENCES ATTENDED

- ⦿ Annual Conferences of Urological association Kerala (UAK)- 1993 onwards
(Total 11 annual conferences and 10 mid term workshops)
- ⦿ All Annual Conferences of Urological society India (USI) 1994 onwards(Total 9 annual conferences)
- ⦿ International Conferences on Laparoscopic Urology (Yr-2000)
- ⦿ 22nd World endourological conference: Mumbai 2444
- ⦿ Chairperson and co-chairperson in various conferences.
- ⦿ World Endourology conference -London-2015
- ⦿ AUA -Santiago-2016

Traveling fellowship-UAK 2000-Laparoscopic traing-AIIMS-New delhi-2000

Andrology training session -Travelling fellowship-UAK-Mumbai-2000

International Training course in urological laparoscopy, 2000

Quiz master UAK annual conference 2002

Clinicopathological conference presentator UAK-2003

Quiz master sz-usi 2006

Organisational Responsibilities:

Hon.Secretary - UAK Oct-2007 onwards

Executive Member - UAK (1998 & 1999)

Secretary to Calicut urolgy club-2000 onwards-conduct monthly meeting

Coordinator to update on female urology-Attended by International faculty

Joint secretary Urolapcon 2007- conducted in March- international workshop

T.V/All India Radio programme: participation twice a year

This include mass awareness programmes and question answer session on subjects of public interest and aim at audience capacity more than 5 million

Editorial committee member: Andrology magazine in regional language

DISTINCTIONS & AWARDS

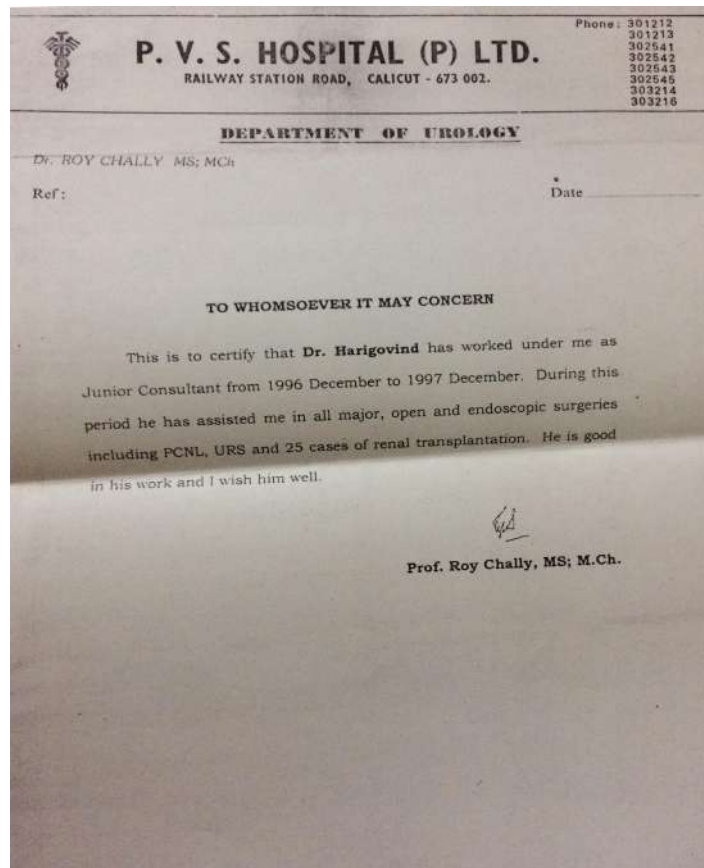

Certificate of da Vinci system Training as a console surgeon

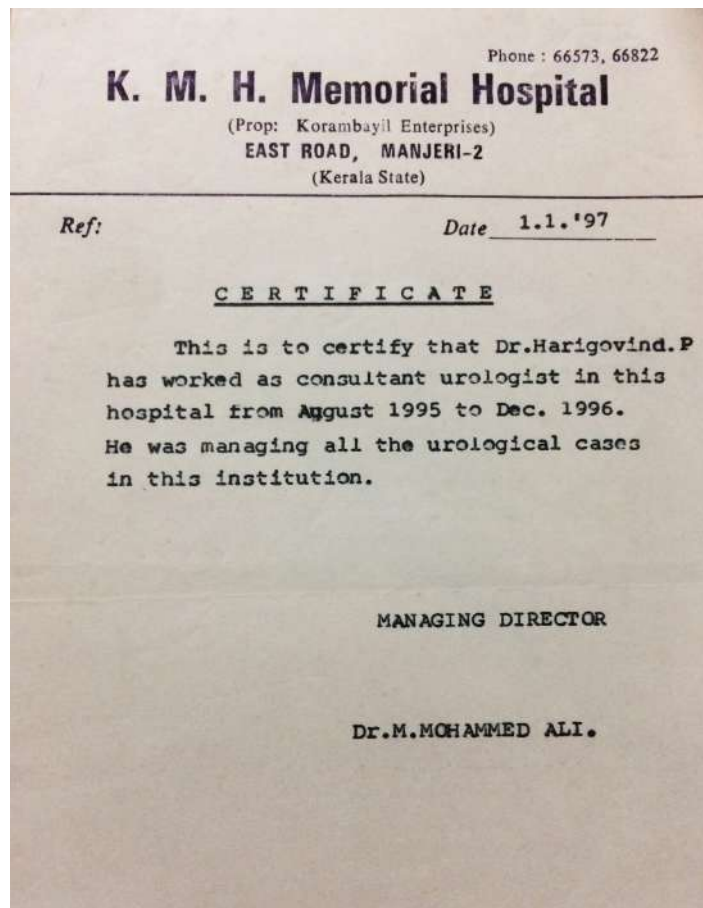

Certificate of Participation - Urolapcon Calicut 2007

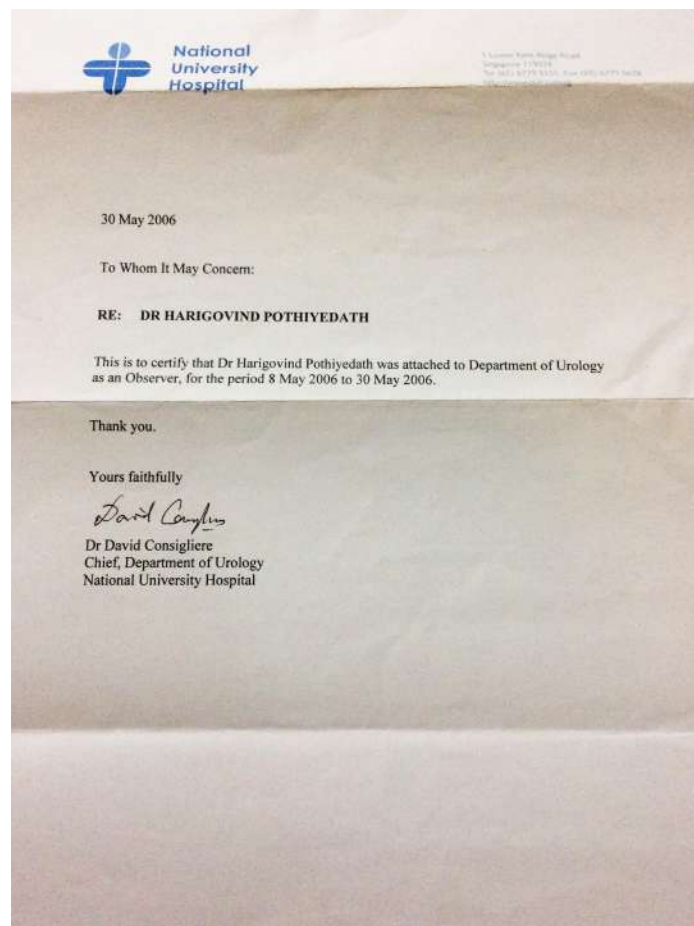

Diplome D Universite

Junior Consultant at PVS Hospital

KMH Memorial Hospital - Consultant Urologist Experience Certificate

National University Hospital Certificate

DEPARTMENT OF SURGERY
MEDICAL COLLEGE, CALICUT-8.

Dated 5-8-1992

Dr. HARIGOVINDAN has successfully completed his post-graduate Course in General Surgery (M.S.) in July 1992 from Calicut University.

He was a student of Medical College, Calicut for his undergraduate and post-graduate studies (General Surgery). I am very happy to say that I was very much impressed by his interest in the subject and his earnestness in the patient care. Hence I am sure that he will be a success as a Surgeon.

Without any hesitation I can recommend him for a post of junior surgeon.

- ⦿ I have presented various topics at
 - Journal Clubs
 - Post Graduate Meetings
 - Seminars
 - Audit Meetings

Outpatient Experience

- I have done numerous Clinics in Renal transplantation, andrology, infertility

Areas of Special Interest

- **Endourology** : PCNL, URS : Perform 10 cases/week
- **Renal Transplantation**: 4 cases/month. Exposed to more than 750 cases
- Performed 15 cases of penile prosthesis
- Undergraduate and postgraduate teaching
- Present Assignment; Interested to continue
- Robotic surgery

Management Experience

- I am responsible for digital photos in the department including downloading the photos and slide shows
- Involved in making on call registrar rotas
- Handled crisis like situations due to sudden sick leave of HOD
- Attended Clinical Governance meetings
- One of the organisers of all urology state conferences
- Student representative of my batch for MBBS & Pre degree
- Organised NSS, blood bank activities, Red cross activities
